

27th International Congress of Actuaries
Señor Aguilera Dinner

Monday 18th March 20:30
Cancun –Mexico

Señor Aguilera, Guests, Colleagues and Friends

I would like on behalf of the IAA and myself to thank you for accepting our invitation.

The discussions and correspondence we had so far are a fine proof of the prosperous relationships between our associations. The developments and advancements that we have made together will be of mutual benefit for our associations.

At the IAA we feel the necessity of the cooperation between both bodies is vital for the responsibilities we have Vis a Vis the Financial Industry, the Customers and last but not least the Consumer.

We are looking forward to listening to your lecture during the lunch tomorrow and your additional presentations.

Please convey our thanks to your members and thank you again.
