

LOUIS LEE BIO

Louis Lee is a qualified actuary and is currently the Head of Economic Capital at Scor Global Life Asia Pacific, structuring capital management solutions for clients. Louis has over 10 years of experience in the region. Prior to the integration to Scor, Louis was the regional pricing actuary for Transamerica Re, pricing traditional and direct marketing reinsurance deals for life and health products, and combining actuarial techniques and business acumens to find practical solutions for primary insurers.

Before joining Transamerica, Louis worked as a senior actuary at Suncorp in Australia, pricing general insurance products including motor/auto, home, mandatory third party liability, and workers' compensation portfolios, utilizing stochastic risk and customer demand propensity models, to produce optimized premiums in the market.
